SUBJECT: Ambassador Richard Helms Briefing on Polygraph

John:

1. The briefing of Ambassador Helms today on polygraph - lasting one hour - went well. The Ambassador had quite a few questions which were apparently answered to his satisfaction. We also went over:

- History of program in the Agency
- Significant changes in past ten years
- Statistics to support claim of its value to the Agency
- Primary considerations in adopting such a program
- Central features of sound polygraph administration and management
- Unique aspects in selecting, training and supervising polygraph examiners.

2. Thanks for giving me a shot at this. It was a treat for me to be with R.H. again.
